INDEPENDENT AUDITOR’S REPORT

To the Board of Directors
Equine Advocates, Incorporated

Opinion

I have audited the accompanying financial statements of Equine Advocates, Incorporated (a not-for-profit organization), which comprise the statements of financial position as of December 31, 2021 and 2020, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Equine Advocates, Incorporated as of December 31, 2021 and 2020, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

I conducted my audit in accordance with auditing standards generally accepted in the United States of America. My responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of my report. I am required to be independent of Equine Advocates, Incorporated and to meet my other ethical responsibilities in accordance with the relevant ethical requirement relating to my audits. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Equine Advocates, Incorporated’s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor’s Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.
INDEPENDENT AUDITOR’S REPORT - CONTINUED

Auditor’s Responsibilities for the Audit of the Financial Statements - Continued

In performing an audit in accordance with generally accepted auditing standards, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Equine Advocates, Incorporated’s internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Equine Advocates, Incorporated’s ability to continue as a going concern for a reasonable period of time.

I am required to communicate with those charge with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that I identified during the audit.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

Equine Advocates, Incorporated (Organization) is a New York not-for-profit organization incorporated in 1996. The Organization was created to promote equine protection by rescuing equines in distress and by expanding public education regarding equine abuse and slaughter. The Organization is supported by general donations and grants.

Program Services:

Equine Rescue & Sanctuary - To rescue horses from slaughter, abuse, and neglect. To demonstrate and set an example of how horses should be treated and how they should live. To operate a horse sanctuary where we house many of the equines and educate the public about where they came from and why they needed to be rescued.

Equine Education - To educate the public about preventing different forms of equine neglect and abuse, including slaughter, to inform the public about the humane way to care and handle horses, including natural horsemanship, to teach the significance and importance of The Horse to American history and culture and to educate the public, teachers, students and law enforcement officials about recognizing and reporting equine cruelty so that the cruelty laws can be enforced. To offer Humane Education classes and field trips from Pre-K through Middle School (taught by an educator), in addition to offering classes and seminars to High School and College students, as well as to Chapters of National Children’s groups and other organizations. The main goal is to help instill empathy, compassion, understanding and a sense of responsibility for having an equine in one’s life, as well as developing an appreciation of an animal that has played such an integral role to the development and evolution of our country.

Supporting Services:

General and Administrative

This supporting service category includes the functions necessary to secure proper administrative functioning of the Organization’s governing board, maintain an adequate working environment, and manage financial responsibilities of the Organization.

Fundraising

This supporting service category includes expenditures which provide the structure necessary to encourage and secure financial support for the Organization’s operations.

Basis of Accounting Presentation

The financial statements are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America.

Net Assets

Net Assets Without Donor Restrictions

Net assets without donor restrictions are available for use at the discretion of the Board and/or management for general operating purposes. From time to time the Board may designate a portion of these net assets for specific purposes which makes them unavailable for use at management’s discretion.

Net Assets With Donor Restrictions

Net assets with donor restrictions consist of assets whose use is limited by donor-imposed, time and/or purpose restrictions.

The Organization reports gifts of cash and other assets as revenue with donor restrictions if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, the net assets are reclassified as net assets without donor restriction and reported in the statements of activities as net assets released from restrictions.

Expenses are reported as a decrease in net assets without donor restrictions. Gains and losses are reported as increases or decreases in net assets without donor restrictions unless their use is restricted by explicit donor stipulation or by law. Expiration of net assets with donor restrictions (i.e., the donor stipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as net assets released from restrictions.

Accounting Pronouncements Adopted

Equine Advocates adopted ASU 2014-09 Revenue from Contracts with Customers as of January 1, 2020. The ASU is based on the principles that revenue is recognized to depict the transfer of goods and services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The ASU also requires additional disclosure about the nature, amount, timing, and uncertainty of revenue and cash flows arising from customer contracts, including significant judgments and changes in judgments and assets recognized from costs incurred to obtain or fulfill a contract. The adoption of this pronouncement does not have a significant impact on the financial statements.

Investments

Investments consist of various mutual funds and are stated at fair market value. Investments are categorized based on a fair market value hierarchy that prioritizes the inputs to valuation techniques used to measure fair market value. This hierarchy consists of three broad levels: Level 1 inputs consist or unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly; and Level 3 inputs, which are unobservable inputs where there is little, if any, market activity for the asset or liability at the measurement date.

and have the lowest priority. Equine Advocates, Incorporated uses appropriate valuation techniques based on the available inputs to measure the fair market value of its investments.

The preceding methods described may produce a fair market value calculation that may not be indicative of net realizable value or reflective of future fair market values. Furthermore, although Equine Advocates, Incorporated believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair market value of certain financial instruments could result in a different fair market value measurement at the reporting date.

Investment income (including net realized and unrealized gains and losses on investments) is included in the change in net assets in the accompanying statements of activities.

Income Tax Status

The Organization qualifies as a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code and comparable New York State laws and has been classified as an organization other than a private foundation.

Income tax benefits are recognized for income tax positions taken or expected to be taken on a tax return, only when it is deemed that the income tax position will be more likely than not sustained upon examination by taxing authorities. The Organization believes that its income tax positions would be sustained under examination by taxing authorities. There are currently no examinations in progress, and the Organization believes it is no longer subject to income tax examinations for the tax years prior to 2018.

Contribution Revenue

The Organization recognizes contributions received and made, including unconditional promises to give, as revenue in the period received or made. Promises to contribute that stipulate conditions to be met before the contribution is made are not recorded until the conditions are met. There were no conditional promises to donate for the years ended December 31, 2021 and 2020. Contributions received are reported as either revenues without donor restrictions or revenues with donor restrictions. Contributions with donor restrictions that are used for the purpose specified by the donor in the same year as the contribution is received are recognized as revenues without donor restrictions.

Any funds received that are considered conditional are initially recorded as a refundable advance (liability). Conditional promises, such as matching grants, are not recognized until they become unconditional, that is, until all conditions on which they depend are substantially met.

Functional Allocation of Expenses

The statements of functional expenses present expenses by function and natural classification. Expenses directly attributable to a specific functional area of the Organization are reported as expenses of those functional areas. A portion of general and administrative costs that benefit multiple functional areas (indirect costs) have been allocated across programs and other supporting services based on the percentage of time employees spend on program and supporting services.

Measure of Operations

The statement of activities includes all changes in net assets resulting from operating and nonoperating activities. Operating activities consist of those activities related to the Organization’s mission and program services and interest earned on investments. Nonoperating activities are of an unusual or nonrecurring nature.

Property and Equipment

Property and equipment are reported at cost. Donations of property and equipment are recorded at their estimated fair value at the date of donation. Expenditures for acquisitions, renewals, and betterments are capitalized, whereas maintenance and repair costs are expensed as incurred. When assets are retired or otherwise disposed of, the appropriate accounts are relieved of costs and accumulated depreciation and any resultant gain or loss is credited or charged to income. Assets are depreciated over periods of 3 to 40 years, which approximates estimated useful lives.

Certificates of Deposits

Certificates of deposit matured within 3 months from December 31, 2020, and were stated at cost because that approximates market value.

Management Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the Unites States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Statement of Cash Flows

For purposes of the statements of cash flow, the Organization considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash.

Subsequent Event

Management has evaluated subsequent events through May 3, 2022, the date on which the financial statements were available to be issued.

NOTE 3 - INVESTMENTS

FASB Accounting Standards Codifications 850 establishes a fair market value hierarchy that prioritizes valuation input and techniques used to measure fair market value. The highest level (Level 1) consists of quoted prices in active markets. Equine Advocates, Incorporated used Level 1 techniques to determine the fair market value of its investments.

Investments at December 31, 2021 consisted of the following:

<table>
<thead>
<tr>

A substantial number of unpaid volunteers have made significant contributions of their time to the Organization. The value of their time is not reflected in these financial statements because it is not susceptible to objective measurement and valuation.

NOTE 5 - ALLOCATION OF JOINT COSTS

During 2021 and 2020, the Organization conducted activities that included the mailing of informational materials as well as requests for contributions.

The cost of conducting the above was $332,493 and $224,604 for 2021 and 2020, respectively.

These joint costs were allocated as follows:

<table>
<thead>
<tr>
<th></th>

</tbody>
</table>

The Organization maintains a policy of structuring its financial assets to be available as its general expenditures, liabilities, and other obligations become due.
NOTE 7 - CONTINGENCY

The COVID-19 outbreak in the United States has caused significant business disruptions and uncertainties. While the disruption and uncertainties are expected to be temporary, there is considerable uncertainty regarding the duration. The related financial impact cannot be reasonably estimated at this time.

NOTE 8 - CONCENTRATIONS

Cash is comprised of checking and savings accounts and, as of December 31, 2021, exceeded federally insured limits by $167,646.
